

## **A Tribe to My Friend Poem Lyrics**

Sadly I must say goodbye,  
For now it is the end,  
I've lost my one true soul mate,  
My guardian, my best friend.

Always stood beside me,  
Always at my call,  
I've had lots of friends in my life,  
but you were by far, the best of them all.

Gone now far too early,  
A loss that's so unfair,  
One moment you were here with me,  
The next, and you weren't there.

I'll remember you so fondly,  
Each and every day,  
My partner and my best friend,  
You were loved in every way.
