

A toast to my nan Poem Lyrics

I raise a toast to my dear Nan,
Sadly no longer here,
A person who only knew good,
Who always brought such cheer.

As a lady and a family girl,
She always made us proud,
Like a star that shines in darkest skies,
She would stand out in the crowd.

A hero and a friend to all,
She truly was a queen,
The sadness that's she gone away,
In so many can be seen.

It's hard at times to find the words,
To know just what to say,
Please know though Nan that all of us,
Will miss you every day.
