

## **Butterfly; Loss of a Child Poem Lyrics**

Forever we'll remember,  
Though it's so sad we've said goodbye,  
In our hearts you'll stay with us,  
Fly with angels, butterfly.

Our hearts forever broken,  
All the tears that we will cry,  
Your time though brief, was beautiful,  
Fly with angels, butterfly.

Life can be so hard and cruel,  
We're not sure quite even why  
you were taken from the earth so young,  
Fly with angels, butterfly.

You were a gift from heaven,  
We could do no more but try,  
Gone to soon, we love you so,  
Fly with angels, butterfly.
