

## Grandad Legacy Poem Lyrics

Here so long, but not tomorrow,  
Let's not fill our hearts with sorrow,  
Let's not see it just as sad,  
Or something cruel, unfair and bad.

Instead let's try to celebrate,  
The live you lived, how you were great,  
So yes it's true that you're now gone,  
But your legacy will, still carry on.
