

## My Best Friend Poem Lyrics

My best friend has gone away,  
And all we wanted, one more day,  
To say the things we had to say,  
Like it's your round, or you can pay!

My best friend was like no other,  
Like a winy, pesky little brother,  
And at times just like my protective mother,  
But one who always gave me cover.

My best friend we had some fun,  
All the jokes and what we've done,  
In the end I think I won,  
A friend whose love I couldn't shun.

My best friend I'll say goodbye,  
Please forgive me if I cry,
