

To my Best Friend Poem Lyrics

To my best friend,
A soul mate, brother,
One I've vouched for,
Like no other,

One I'd fight for,
Right to the end,
That's why I guess,
You're my best friend.

To my best friend,
I know you're gone,
But I'm sure our friendship,
Can live on,

I'll hold you in my
heart forever,
Think of you always,
Forget you, never.

To my best friend,
I'll honour you,
In every thought,
In what I do,

I won't crumble,
I'll make them see,
That true friendship,
Lasts, eternally.

To my best friend,
Yes I may wobble,
Ups and downs,
Like a balloon, I'll bobble,

But with you deep
inside my heart,
Always together,
Never apart.
